WELCOME TO INVERNESS CAMPUS

Inverness Campus is home to businesses, research and academia, designed as a unique place to work, live, study and visit.

The 215 acre site has been developed by Highlands and Islands Enterprise (HIE) and has been created as a major economic driver for the area. Much of the business and research activity here has a particular focus on Life Sciences and technology.

But it is much more than that!

Inverness Campus is open to everyone. It's a place for the community – a stunning, accessible, open green space. It's also home to the largest partner in the University of the Highlands and Islands – Inverness College UHI.

Behind the development was a vision for a shared site where different organisations could work collaboratively while co-locating in a beautifully landscaped environment. The Campus was designed to enhance joint working and provide an inspirational setting for innovation.

GETTING TO INVERNESS CAMPUS

BY FOOT

The Campus is approximately a 25 minute (3km walk) from Inverness city centre.

BY BIKE

Inverness Campus is easily accessed by bicycle from dedicated cycle and pedestrian bridges - from the east (from Inverness Retail and Business Park) and west (across the golden bridge from Raigmore). The site has priority for pedestrians and cyclists on the shared surfaces and also features a network of cycle paths. Bike parking is available at plots across the site, in the central lochans area and also beside the visitor car park.

BY BUS

There is a regular bus service from the city centre. 2, 2A, 2U, and 3 leave from Falcon Square. Also direct daily buses connecting the Campus to Nairn, Tain and Tomich.

The bus stop is beside the Campus information and security office.

Real time bus information is available at the bus stop and timetables are displayed at the reception in Inverness College UHI.

BY TRAIN

Inverness Rail Station is in the city centre. From the city centre visitors can walk, take a taxi or bus to Inverness Campus. In addition, www.bikeandgo.co.uk operate cycle hire from the station.

BY TAXI

There is a taxi rank in Inverness city centre on Academy Street by the rail station. Inverness Campus is approximately a 10-minute journey from the city centre.

BY CAR

If arriving **from the north** – take the Culloden/Raigmore Hospital exit off the A9. Keep in the right hand lane on the slip road. The main entrance to the Campus is straight ahead at the traffic lights which you meet at the top of the slip road.

If arriving **from the south** – take the Raigmore Hospital/Culcabock exit off the A9 towards Inshes roundabout. At the roundabout take the first exit. After crossing the flyover over the trunk road, at the traffic lights take the first left onto Inverness Campus.

ONCE YOU'RE HERE

ON ARRIVAL

The Campus information and security office is situated at the roundabout at the southern road entrance to the Campus. Larger buildings have their own reception.

PARKING

There is a 100-space visitor car park at the entrance to Inverness Campus beside the security and information office. This is a free parking area for all visitors, and provides additional parking for those who live, work or study here.

Each building at the Campus has a designated parking area, usually located to the back of the building.

Please do not park in the central areas of the Campus around the lochans, as it can cause damage. We would like to keep Inverness Campus looking as good as it did the day it opened to the public.

Security staff monitor unauthorised parking on the Caithness slab areas of the central Campus. Fly parkers will be ticketed.

GETTING AROUND

It's as easy as 1-2-3 to find your way around Inverness Campus – just follow the numbers. Use the directory of occupiers overleaf and follow the number to your destination.

SPEED LIMIT

There is a 20 mph speed limit across the Campus. The shared surfaces on the site give priority to walkers and cyclists - please share with care and ensure that your speed doesn't harm others.
